

# ANNETTE'S SLICED NINE PATCH

1/2 Yard or fat quarter for A need 12 - 5 1/2" squares (light fabric)

1 1/2 yard for B - 48 - 5 1/2" squares (Print fabric)

1 1/2 yard for C - 48 - 5 1/2" squares (Med fabric)

1 1/4 yards = 5 1/2" squares if 43" wide

43 inch 5 1/2" strip = 7 - 5 1/2" squares

The above amounts will make 12 - 15" squares. 1/2 amounts for 6 Blocks

6 - 15" Block quilt without Borders = 43" Long x 29" wide with borders

2 1/2" and 5 1/2" it measures. 57 1/2" long x 43" wide

12 x 15" Block quilt. Without border = 55 1/2" Long X 42" Wide with 2 1/2"

and 4 1/2" border it measures 65 1/2" x 54" wide

Make 12 - 15+ blocks for large.

Make 6 - 15" blocks for small

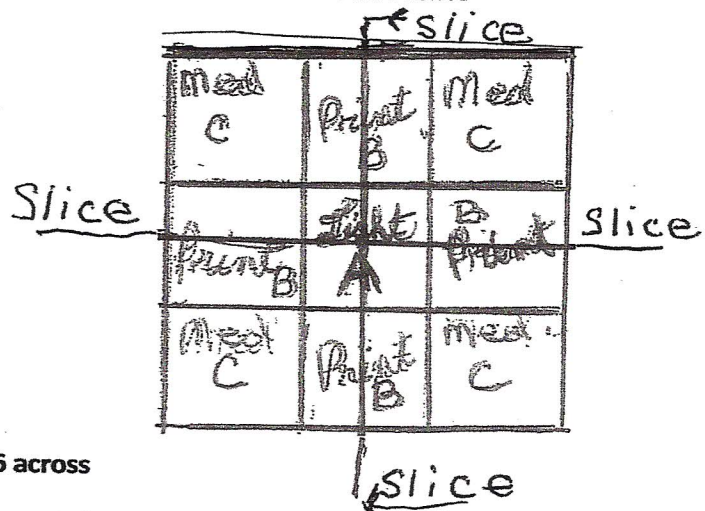

When made press well & flat - then measure 2/12" from seams around middle A slice

twice do not move when slicing.

After slicing measure and

Square each block to 7 1/2" inches

When cut arrange 7 1/2" cut squares

"A" light top left, "A" light bottom left - 6 across

Next row "A" light right top, "A" right bottom - 6 across

(You will alternate rows 6 across and it will have 8 down) for 12 block quilt.
